
PROFILE

Architect with an international background and 8+ years of practice from concept to construction, focused on the quality of space for people. Studied architecture at Brno University of Technology, with study exchanges at Bauhaus-Universität Weimar, Técnico Lisboa and the University of Strathclyde in Glasgow, and has practised with studios in the Czech Republic and Austria. Currently leads design and BIM at a building company - standards, ArchiCAD templates, process and team support - and is finishing a second master's in economics and management.

EXPERIENCE

- | | |
|-------------|--|
| 2025 - now | Woodsystem s.r.o. / MoveInReady s.r.o.
